There is no passion to be found playing small – in settling for a life that is less than the one you are capable of living.

Nelson Mandela

About *US*

Boganala Supplies is a small – medium sized Solutions Company, operating in the Road Construction and Tele-communication infrastructure sectors.

About *us*

As a 100% black owned and managed company, Boganala is committed to the principles of **Broad Based Black Economic Empowerment** and strives to address the challenges of youth unemployment and skills developments.

Boganala Supplies' project diversity is a fundamental component of our business ideal. We continually partner with other companies with expertise in various sectors such and produce world-class work to the benefit of our clients. Boganala Supplies capabilities, resources, expertise and skills enable us to produce quality work.

Vision

Boganala Supplies seeks to be leading contractor of choice through excellent service delivery to both public and private sectors. In addition to the above we seek to further develop and shape South Africa through the provision of employment and training opportunities

Values

Our values provide the standard of behavior by which Boganala Supplies conduct business. These values represent how we treat we treat one another, deal with our customers, stakeholders and how we keep ourselves accountable as a team:

Safety

- The safety our employees, stakeholders and the public at large is our concern
- Ensuring that all safety aspects of our work is in place to execute projects successfully

Reliability

- Commit to clients realistically and follow up thereby enforcing consistent excellence.
- Be quick and responsive in business dealings within and outside the organization.

Accountability

- Open and transparent communication with high accountability levels
- Take swift and efficient steps to correct errors or defects and rejecting inconsistent behavior

Values cont

Pursuit of Excellence

- Applying with consistency diligence, innovation, timeous and detailed workmanship in all projects and dealings.
- Open to possibilities and remaining flexible though continuous leaning, coaching and mentoring

Health & Safety

Boganala's health and safety commitment goes far beyond regulatory compliance and good business practice; it's an integral element of our core values. We subscribe to the belief that accidents are prevention has much value as quality, morale, production, costs etc. Boganala's dominant safety philosophy continues to encourage employees to protect and support each other within the work environment.

As such, Boganala:

- Promotes a culture of health and safety
- Complies with regulatory standards
- Continually enforces health and safety measures
- Promotes employee and employer participation in health and safety
- Regulate employer and employee responsibilities in identifying and
- Entrench the right to refuse to work in hazardous condition measures controlling unsafe conditions and most importantly, unsafe work practices
